

### REMARKS

Applicants received a Notice of Drawing Inconsistency With Specification from the Patent Office informing that Figure 22C is listed in the Brief Description of the Drawings in the specification but not contained in the drawings. On page 19, line 7, reference is made to Figure "22C" of the drawings. Because there is no Fig. 22C, Applicants have amended the specification accordingly. Because this amendment does not present any new issues, Applicants respectfully request entry of the Amendment.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, Applicant petitions for any required relief including extensions of time and authorizes the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. 393032022200. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,
